Glasgow

Practical Tenant Participation

TPAS are running a one day session on practical tenant participation for housing staff. The course is designed to broaden the participants understanding of tenant participation and prepare staff to take forward practical ideas to develop tenant participation in their organisations.

Who should attend?

Housing professionals interested in developing their organisation's approach to tenant participation should attend. Participants will leave the session with a confident grasp of the subject matter and some fresh ideas to take back to their organisations.

View the course programme on line: www.tpasscotland.org.uk

Book your place now

The cost of the session is £100 per person for members and £150 for non members. Prices exclude VAT
