

We are **OPEN** for business as usual.

Please contact us by phone or email if you need any information, have any issues or need a natter.

The TPAS team are operating a business as usual approach.

We recognise that COVID 19 is having a massive impact on all of us. We want to reassure you that TPAS Scotland is here to help, support and provide advice to you.

In the Social Housing sector we work with and support a very diverse range of people and acknowledge that the inequalities already present in our communities are further exacerbated by COVID 19.

We have a strong track record of supporting our members and customers to reach out and look at practical steps to improve lives and address inequality on the basis of social justice, human rights and welfare reforms.

Here is a selection of the services we provide.

TPAS SUPPORT

We continue to provide a range of support services via social media and through our regular webinars. The webinars will be uploaded on to our website for you to view. You can also contact us to arrange for one to one support and group discussions.

TPAS GUIDES

We can support you with digital engagement, scrutiny plans, tenant participation strategies, our excellent accreditation scheme and much more. We have also developed a range of easy to use self-help guides.

TPAS MEMBER'S QUERIES

We continue to share members queries. We collate these monthly and provide a summary sheet of responses for all our members.

TO BECOME A MEMBER OF TPAS

Our members are at the heart of TPAS. We think it's really important to take direction from our members about our work so that we can adapt and change our services and provide expert advice to tenants and landlords across Scotland.
